TERMS AND CONDITIONS

1) The price offered should remain valid within a period of one year from the date of agreement (i.e. one year) and no escalation of price shall be allowed in any event.
2) The quoted offer rate in Tender must be valid for one year from the date of agreement. The Tender inviting authority reserves the right for seeking extension of validity of offered rates from the successful Tenderers; acceptance of such request during actual offer is optional to the offerers.
3) Time being essence of execution, execution must be completed within stipulated time as to be given in the work order.
4) If any part or whole execution is found defective after execution of the same are to be rectified at free of cost within seven days.
5) If any Tenderer withdraws his offer within the validity of the Tender Period without giving any satisfactory explanation for such withdrawal, Tenderer shall be disqualified for participation in any Tender to any Corporation/ Municipality / M.E. Dte for a minimum period of one year within the State of West Bengal.
6) After successful execution of work orders during the contract period and the expiry of security period .
7) A security deposited as per relevant Govt. Order of the total value of work shall be deducted from the bill(s) which will be released after the schedule security period.
8) The Contractor is to complete the work on or before the dates mentioned in the work order, failing which he shall be bound to pay or allow one per cent on the total amount of the work for everyday not exceeding ten days that the contractor shall not exceed the time for execution of and by way of liquidated damages, provided however that Mayor / Chairperson of Municipal Corporation / Municipality may at his discretion reduce in such cases as he/she may think fit. The said amount to such smaller amount as he/she may decide and his/her decision in writing in that respect shall be final.
9) In every case in which the payment or allowance mentioned in the above clause shall have incurred for ten consecutive days, the Mayor / Chairman of Municipal Corporation / Municipality shall have power either to annul the Supply altogether, or have supply completed without further notice at the tenderers risk & expense as he/she may deem best suited to the interests of the authority and the tenderer shall have no claim to compensation for any loss that he may incur in any way.
10) If the supply or execution of the materials or works is hindered due to the reason beyond the

control of the contractor so as to necessitate extension of the time allowed in this tender he shall apply in writing to Mayor / Chairman of Municipal Corporation / Municipality who shall grant it in writing if reasonable ground be shown for it and without such written authority of the Mayor / Chairperson of Municipal Corporation / Municipality applied for and obtained prior to the expiry of the original date provided for in the agreement, the Supplier shall not claim exemption from the final leviable under clause 2.

11) The contractor shall give notice to Mayor / Chairperson of Municipal Corporation / Municipality of his intension for making delivery of materials and on the material being approved, a receipt shall be granted to him by the Mayor / Chairperson of Municipal Corporation / Municipality or his authorized representatives and no material will be considered as delivered until so approved.

12) On the completion of the delivery of materials the contractor shall be furnished with a certificate to that effect but the delivery will not be considered complete until the tenderer shall have removed all rejected materials and shall have the approved materials stacked or placed in such position as may be pointed out to him.

13) The materials are of the best description and in strict accordance with the specification, and the Supplier shall receive payment for such materials only as are approved and passed by Mayor / Chairperson of Municipal Corporation / Municipality.

14) In the event of the material being considered by Mayor / Chairperson of Municipal Corporation / Municipality to be inferior to that described in the specification the tenderer shall on demand in writing, forthwith remove the same at his own charge and cost and in the event his neglecting to do so within such period as may be stipulated by Mayor / Chairperson of Municipal Corporation / Municipality may have such rejected materials removed at the Supplier's risk and expense, the expense incurred being liable to be deducted from any sums due, or which may become due to the Supplier.

15) If the tenderer or his work-people break or deface any building, road, fence enclosure or grass land or cultivated land, be shall make good the same at his own expense and in the event of his refusing or failing to do so, the damage shall be repaired at his expense by the Mayor / Chairperson of Municipal Corporation / Municipality, who shall deduct the cost from any sums due, or which may be become due to the tenderer.

16) Tender shall supply at his own expense all tools, plant and instruments required for the due fulfillment of his execution and the materials shall remain at his risk till the date for final execution unless it shall have been in the mean time removed for use by Mayor / Chairperson of Municipal Corporation / Municipality.

17) The Tenderer shall not sublet without specified order from authority in respect of a specified sub-tenderer. In the event of the tenderer subletting his Supply or execution without such permission, he shall be considered to have thereby committed a breach of agreement and shall forfeit his security deposit and shall have no claim for any compensation for any loss that may have collected or engagement entered into.

18) The Mayor / Chairperson of Municipal Corporation / Municipality shall have power to make any alteration in, omissions from, additions to or substitution for the original specification, drawings, designs and instructions, that may appear to him to be necessary or advisable during the course of execution of the works and the tenderer shall be bound to execute the works in accordance with any instructions which may be given to him in writing signed by the Chairperson Burdwan Municipality and such alterations, omissions, additions or substitutions shall not invalidate the works and any altered addition or substituted materials which the tenderer may be directed to supply in the contract in the manner above specified as part of the work shall be supplied or executed by the tenderer on the same conditions in all respect on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work.

INTENDING PARITCIPANTS ARE REQUESTED VISIT TO THE SITES ON ANY WORKING DAYS PRIOR TO SUBMITTING BID BY CONTACTING CHAIRPERSON, BURDWAN MUNICIPALITY .

Chairman
Burdwan Municipality.

GENERAL RULES AND DIRECTION FOR GUIDANCE OF TENDER/SUPPLIERS

1. ***Responsibility and Power of Engineer-in-charge and his representative***
The Engineer-in-Charge or his representative shall monitor the supply position. He shall have authority to stop the work whenever such stoppage may be necessary to ensure proper execution of the contract. He shall have authority to reject any materials supplied which do not conform to the contract documents.

The Engineer-in-Charge or his representative shall have the power of inspection of all the materials supplied under this contract. In order that inspection services may be provided the contractor shall keep the Engineer-in-Charge or his representative posted regarding inspection & dispatch schedules.

All supplied items in pursuance of the contract shall at all times be open to the inspection of Municipal Authority / Municipal Engineering Directorate and its representatives. The contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the contractor either himself be present to receive orders and instructions or have responsible agent duly accredited in writing present for that purpose.

2. ***Disruption of Progress***
The contractor shall give written notice to the Engineer-in-Charge/Chairperson of the Municipality /Mayor of the Corporation, as the case may be regarding the delay in supply of items or unless any further approval or order including a direction, instruction or approval is issued by the Engineer-in-Charge /Chairperson of the Municipality /Mayor of the Corporation, as the case may be within a reasonable time. The notice shall include details of the items that are to be supplied or order required and of why and by whom it is required.

3. ***Contractors General Obligations and Responsibility***
The contractor shall, subject to the provision of the contract, and with due care and diligence maintain the supply and provide all labour, including the supervision thereof, materials, and all other things, whether of a temporary or permanent nature, required in

and for such maintenance, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the contract.

4. ***Programme of Supplies***

The contractor shall furnish within a fortnight from the date of order the followings:

a) Confirmation of the quantity of supply of items to be delivered. b) Delivery schedule of the ordered materials

5. ***Contractors to arrange all Labour : Materials : Tools & Plants***

Unless otherwise specifically provided for in the schedule of materials attached to the bid, all materials supplied shall be approved type and as per specifications and shall be procured, brought at site and stored by the contracting firm at his cost and risk.

The rates quoted for the items shall be inclusive of all costs of materials, labour transportation, and storage. The rates shall also cover all taxes viz. Sales tax, any local taxes, duties etc that are payable by the firm under the law of the land. Statutory increase on such elements, if any during the period of contract shall not be paid extra.

6. ***Loss and Damage***

Neither the Municipal authority nor the Engineer-in-Charge or his representative shall be answerable and accountable in any manner for any loss or damage that may happen to the supplied materials or other things used in the performing the supply work, or for injury to any person, either a workman or any member of the public, or for damage to any property for any cause which might have been provocated by the contractor. The contractor shall properly guard against all these injuries or damages to persons or property resulting from his operations under this contract at any time before issuance of the certificate of completion of supply. He shall indemnity and save harmless the authority from all suits or actions of every description brought for, on account of, any injury or damage received or sustained by any person or persons by reason of the material supply work, negligence in guarding the same, the use of improper materials or of any act of omission or deviation from the contract.

7. ***Supervision of Work***

The Engineer-in-Charge or his representative shall have the power at any time from time to time by notice to the contractor to delay or suspend the progress in supply of items during unsuitable weather for any other adequate reasons and on receipt of such notice, the contractor shall forthwith suspend further progress of supply work until further notice from the Engineer-in-Charge.

The contractor shall recommence supply work immediately on receiving a notice to do so from Engineer-in-Charge. The whole or any part of the time lost for such delay or suspension shall, if authority in its absolute discretion thinks fit but not otherwise be added to the time allowed for, completion of supply of items. But the contractor shall have no claim to extra payment or compensation whatsoever on the grounds of above delay.

8. ***Employer's right to terminate contract***

If the contractor should be insolvent or bankrupt, (or in case the contractor is a company, it goes into voluntary or judicial liquidation) or he should make a general assignment for the benefit of his creditors or a receiver should be appointed on account of his insolvency, or he should persistently or repeatedly refuse or should fail, except in cases for which extra of

time is provided, to supply enough proper materials, in order to maintain progress according to the progress of supply work, or he should fail to make prompt payment to labour contractors if any, or for materials or labour, or he should positively

by laws, ordinance or the instruction of the Engineer-in-Charge or otherwise be guilty, of a substantial violation of any provision of the contract after giving the contractor seven days written notice terminate the employment of the contractor.

9. ***Supplementary Specification***

Whenever reference is made in these documents to certain special specifications, the reference shall be construed to include all subsequent amendments, changes or additions that are published and in effect at the date of signing of this contract.

The authority reserves the right to issue additional conditions, specification etc if necessary which will be incorporated with bid documents already sold to bidders for the purpose of the work.

10. ***Employer's right to split package***

The authority reserves the right to split the package and accept or reject any part of the offer from the scope of supply work without assigning any reason.

11. ***Payments and Certificates***

Payment for the supplies by the contractor will be based on measurements recorded at the receipt of the materials at site. The contractor or his authorized agent or representative shall be present at the time of recording of each set of measurements and sign the measurement book.

If for any reason the contractor or his authorized agent is not available, and the work is suspended by the engineer-in-Charge to avoid recording of measurements during the absence of the contractor or his authorized representative, the authority shall not entertain any claim from the contractor for any loss incurred by him on this account. If the contractor or his authorized agent or representative does not remain present at the time of such measurements after the contractor has been given a three day notice in writing, such measurements may be taken in his absence and shall be deemed to be accepted by the contractor.

12. ***Insurance of Works, etc***.

Without limiting his obligations and responsibilities, the contractor shall insure in the name of the Corporation/Municipal Authority and the contractor against any loss or damage from whatever cause arising for which he is responsible under the terms of the contract and in such manner that the Corporation/Municipal Authority and contractor are covered for the period of supply as well as during the period of maintenance for loss or damage arising from a cause, and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations as follows:

The works for the time being executed to the estimated current contract value thereof together with the cost of materials supplied by the Municipal Authority free of cost.

Such insurance as mentioned above shall be affected with an insurer and in terms approved by the Corporation/Municipal Authority. The contractor shall bear the cost of all such insurance and whenever required, produce to the Engineer-in-Charge or his representative the policy or policies of insurance and the receipts for payment of the current premiums.

13. ***Notification of Insurer***

It shall be the duty of the contractor to notify the insurers under any of the insurances referred any matter

or count which by the terms of such insurances are required to be notified and the contractor shall indemnify and keep indemnified the Corporation/Municipal Authority against all losses,

claims, demands, proceedings, costs charges and expenses whatsoever arising out of or resulting from any default by the contractor in complying with the requirements of this sub- clause whether as a result of the avoidance of such insurance or otherwise.

14. ***All insurance at contractor's cost***
The insurances referred to in this bid document shall be entirely at the cost and expenses of the contractor.

15. ***Remedy on contractor's failure to insure***
If the contractor shall fail to effect and keep in force the insurance referred to clauses hereto, or any other insurance which he may be required to effect under the terms of the contract, then and in any such case may effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time and deduct double the amount so paid by the Municipal Authority as aforesaid from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

16. ***Idle Labour***
No claim for idle labour would be entertained under any circumstances

17. ***Inspection Facilities***
The contractor shall provide necessary facilities for inspection of the supplied items for quality control by the Engineer and for the purpose of carrying his instructions as may be recorded in writing in site Order Book.

18. ***Labour Act***
The contractor should obtain the license under the provision of the contract labour (Regulation and Abolition) Act 1970 and contract labour (regulation and Abolition) general rules, 1971 including the provisions of amendments made there under of the same to the office of the Chairperson,Board of Administrator,Burdwan Municipality within ten days after formal agreement.

The successful bidder whose bid will be accepted shall either personally deliver the license form in triplicate to the licensing officer of the area in which the establishment in relation to which the contractor is selected for the job. The application form in Form IV shall be forwarded along with Form V, which may be available from the Chairperson of the Municipality /Mayor of the Corporation, as the case may be.

19. ***Language for Correspondences***
The bid and all correspondence and documents related to the bid exchanged by the bidder and Municipal Authority shall be written in English language. Supporting documents and printing literature furnished by bidder may be another language provided they are accompanied by an accurate translation of the relevant passages in English. For the interpretation of the bid, the English translation shall prevail.

20. ***Contractor's Local Address***

The contractor shall furnish the postal address of his site office. Any notice or instruction to be given to the contractor under the terms of contract shall be deemed to have been served if it has been delivered to his authorized agent or representative of site or sent by registered letter to the site office or to the address.

21. ***Precedence of Contract Documents***
If any stipulation indicated in any component of contract documents be at variance in any respect with those in the other, the decision of the Superintending Engineer will stand final

and binding.

22. ***Time of Completion***

The entire supply work as per schedule and specification shall be completed within stipulated time from the date of issue of work order.
The period of completion given includes the time required for mobilization and testing as well, rectification, if any, retesting and completion in all respects to the entire satisfaction of the Engineer-in-Charge including the monsoon season.

This is the essence of this contract and the allotted supply work must be complete within the specified time. Extension of time will not be granted except in very exceptional circumstances beyond the control. This clause of extension of time will have precedence over any other similar clauses if they are at variance with penalty for non-complete of the supply work in time as indicated elsewhere.

23. ***Action for non completion***

Failure to comply with above conditions and specifications will result in the Municipal Authority taking action at the risk and cost of the contractor. Submission of the bid binds the contractor for complying with requirements of the above conditions and specifications without any extra payment on any account.

24. ***Arbitration***

If the contractor claim that the decision or instruction of the Municipal Authority/ Engineer-in-Charge are unjustified or beyond contractual agreement that accordingly he is entitled to extra payment on account thereof, he shall forthwith notify this to the Municipal Authority/ Engineer-in-Charge to record his decisions and reasons therefore in writing and shall within two weeks state his claim in writing to Municipal Authority/Engineer-in-Charge, the Municipal Authority/ Engineer-in-Charge shall thereafter reply to the points raised in the claims. Unless resolved by negotiation or discussion, the question on liability for such claims will be treated as dispute.

The decision of the concerned Superintending Engineer, Municipal Engineering Directorate shall be final conclusive and binding on all parties to the contract upon all question relating to the meaning of specification and instructions and as to the quality of workmanship or materials supplied for any matter arising out of or relating to the specification and instructions concerning the supply work or a failure to execute the same arising during the course of works. The above shall not be the subject matter of dispute or arbitration and in any case shall the supply work be stopped consequent on such a dispute arising and the supply work shall also be carried out by the contractor strictly in accordance with the instruction of the concerned Superintending Engineer.

In any case dispute arising on matters other than clauses mention above shall be referred to the interpretation, decision and award of an arbitrator. The provision of the Indian Arbitration Act and rules there under with statutory modification thereof shall deem to be incorporated in this contract.

The contractor shall no delay in carrying out supply works in such matter, question or dispute being referred to arbitration but shall produce with the supply work with all due diligence and the contractor shall not be relieved from his obligation and commitment of completing the supply work and shall adhere strictly to the instruction of the Engineer-in-Charge with regard to the actual carrying out of the supply work.

In case of any arbitration, the award shall be a speaking one, that is the arbitrator or the umpire as the case may be shall recite facts and assign reasons in support of the award after discussion fully the claims and contentions of the parties.

25. ***Terms of Payment***

Payment will be made only after receiving the pipe materials as per stipulated terms and

condition laid down in the agreement and acceptance of material at site after deducting security deposit as stated in clause above and other statutory deduction.

26. ***Deduction of Tax***
Deduction of sales Tax, Income Tax, and any other taxes are payable as per prevailing tax laws at the prescribed rate at the time of making payment to the contractor.

27. ***Typographical Error***
Typographical errors deducted or pointed out are subject to corrections by the Quotation Inviting Authority. No benefit can be derived by any party on account of such error.

28. ***Completion Certificate***
Municipal Authority/ Engineer-in-Charge will issue certificate of completion of supply work when all supply works or otherwise undertaken have been completed in all respect.

30. In the event of the Quotation, being submitted by a Partner Firm, it must be signed separately by each member thereof, or, in the event of the absence of any partner, it must be signed on behalf by a person holding a Power- of – Attorney authorizing him to do so.

31. Receipts for payment made to a Firm must be signed by the several partners except in the case of well-known and recognized firm and except where the Suppliers are described in their Quotation or Supply as a firm.

32. All Tenders received will be opened by the ***Municipal Authority*** in the presence of tenderers who may be at the office at the time.

33. The authority reserves the right to reject any or all of the tenders without assigning any reason and to accept any tender in whole or in part.

34. The tenderer has to quote the rates in % (Percentage) both in figures and words against the work for execution of a Rate-contract Agreement which should be valid for 1 (one) year from the date of the agreement.

35. Works shall be completed in all respect within stipulated time frame after the work order is placed.

DECLARATION BY THE TENDERER – I

To
The Chairman,
Burdwan Municipality,
Burdwan .

Sub:-

Dear Sir,

We offer our Tender for the above project, in the capacity of the tenderer for the project we declare that we are interested in earnestly accomplishing the project, should you select us for this purpose.

If selected, we understand that it is on the basis of the organizational, technical, financial capabilities and experience of us as specified in the tender document. We understand that the basis of our qualification proposal, and that any circumstance affecting out continued eligibility under the Qualification Proposal, or any circumstance which would lead or have lead to our disqualification under the Qualification Proposal, shall result in our disqualification under this process.

We understand that you are not bound to accept any or all proposal(s) you received.

We declare that we have neither entered into nor are party to (whether by conduct or by acquiescence) any restrictive trade practice or sub-contracting arrangement or collective arrangement with any other person or entity including the other tenderer for the Project, in connection with the preparation and / or submission of the proposal for the Project.

We undertake that, in competing for (and, if we are selected, in working) the Project Agreements, we will strictly observe the laws against fraud and corruption in force in India namely “Prevention of Corruption Act 1988”.

We declare that we have disclosed all material information, facts and circumstances to you, which would be relevant to and have a bearing on the evaluation of our proposal and selection.

We declare that in the event that you discover anything contrary to our above declarations, it is empowered to forthwith disqualify us and our proposal from further participation in the process.

Yours faithfully,
